Comfort Home Care acquires CityPsych Wellness, Inc.

Two leading agencies come together to better serve the community.

Revere, MA - March 1, 2018: Home health agency Comfort Home Care has acquired CityPsych Wellness, Inc. in an effort to expand their coverage area statewide and further establish both agencies' reputations as leaders in home care.

CityPsych Wellness is a nurse staffing agency with over 10 years of experience working with chronically ill patients. In acquiring CityPsych, Comfort Home Care adds their well-known expertise providing psychiatric nurses to the Greater Boston, South Shore and South Coast regions to Comfort Home Care's comprehensive range of medical and behavioral health services. "With this acquisition, Comfort Home Care is now able to bring the high-quality care that we are known for to clients across the entire state of Massachusetts," said CHC President Brandon Howes, RN. "We look forward to being known as a resource to be relied upon for anyone in the state that needs home health services."

Additionally, through this acquisition, CityPsych Wellness nurses will now have more options available to coordinate physical therapy, occupational therapy, home health aides, and other services to help their patients live full lives at home. "All of us at CityPsych feel fortunate that we are able to combine resources with an agency that shares our commitment to providing the best care to our community," said CityPsych Wellness co-founder Katie Heravi, RN.

CityPsych Wellness and their nurses will continue to operate under their name, providing uninterrupted services to their patients as a regional division of Comfort Home Care. For providers looking to refer a patient to either agency, dedicated intake professionals are available immediately to guide them through the process and ensure the best possible outcome.

COMFORT HOME CARE is a Medicare/Medicaid-certified and JCAHO-accredited home health agency awarded federally deemed status and headquartered in Methuen, MA. Comfort Home Care specializes in caring for patients with acute and chronic mental health issues as well as providing traditional medical care. Named by the Boston Globe as one of their top places to work from 2012 to 2016, Comfort Home Care strives to be recognized as the premier provider of home health services in New England while achieving 100% patient and employee satisfaction.

CITYPSYCH WELLNESS is a division of Comfort Home Care that specializes in providing psychiatric nursing and other services to patients at home in the Greater Boston, South Shore, and South Coast regions of Massachusetts. Originally founded by four RNs who recognized a need for better behavioral health care, CityPsych Wellness has since become one of the most trusted providers in the community for over a decade.
